

Position: Mental Health Therapist (Fully or Provisional Licensed)

Company: Healing2Flourish Counseling & Consulting, PLLC

Job Type: Full-time or Part-time (In-person, Remote, or Hybrid)

Overview:

We are a thriving private practice based in Humble, TX, dedicated to providing compassionate and comprehensive mental health services to individuals and families. We specialize in helping clients who are experiencing depression, anxiety, anger management issues, stress management, behavioral issues, women's issues, family conflict, and trauma. As part of our expansion, we are seeking a self-motivated, talented, and dedicated Mental Health Therapist to join our team. The ideal candidate will be passionate about helping others, possess excellent therapeutic skills, and be adaptable to providing services in various formats, including in-person, remote, or hybrid arrangements.

Responsibilities:

- Conduct individual, couples and/or family therapy sessions to address a wide range of mental health concerns.
- Collaborate with clients to develop personalized treatment plans based on their unique needs and goals.
- Maintain accurate and confidential client records, documenting progress, assessments, and treatment interventions.
- Provide evidence-based therapeutic interventions to promote emotional well-being and mental health.
- Stay current with developments in the field of mental health and integrate best practices into your therapy approach.
- Collaborate with other members of the treatment team to ensure a holistic and coordinated approach to client care.

Requirements:

- Master's degree or higher in Counseling, Psychology, Social Work, or a related field.
- Licensed or provisionally licensed as a Therapist, Counselor, or Social Worker in the state of Texas. Current clinical license (LPC-Associate, LMFT-Associate, LMSW-Associate, LCSW-Associate,) per state of practice guidelines. Must have taken and passed all required licensing exams. Fully licensed LPC, LMFT, LCSW. No open licensing board complaints and no probated or restricted licensure.
- Experience (preferred) working with diverse populations and addressing a variety of mental health concerns. Proficient in utilizing various therapeutic modalities and interventions. Strong communication and interpersonal skills, with the ability to build rapport with clients and create a safe therapeutic environment.

- Empathy and a genuine desire to help others.
- Ability to adapt to different therapeutic formats, including in-person, remote (telehealth), or hybrid sessions. Comfortable with technology and/or experienced with Telehealth.
- Flexibility to work some evenings and weekends to accommodate clients' schedules.
- Minimum 10 billable hrs. per week.

Additional Requirements: If an intern/associate contractor will also maintain adequate professional liability insurance and retain clinical supervision throughout contractual agreement.

Pay/Salary:

Competitive salary commensurate with experience and licensure status. Job type is contract (1099), Full-time or Part-time. Pay: \$50 to \$60 per session (Standardized pay scale - Associate), 60/40 split of agreed upon rate per session (fully licensed).

Benefits:

- Professional development opportunities to support ongoing growth and learning.
- Focus on your specialty population(s) – identify your exclusionary criteria and only see patients that are present within your areas of expertise.
- Opportunity to expand your areas of focus (niche)
- Robust administrative support – assistance with scheduling, marketing, and billing.
- Built-in clinical support– a team environment focused on connection, clinical excellence, resources, and collaboration.
- Opportunity to be part of a rapidly expanding private practice, making a meaningful impact on the community's mental health.
- Insurance Credentialing/Paneling
