

Mental Health Solutions is looking to immediately hire fully Licensed Professional Counselors (LPC), Licensed Marriage and Family Therapists (LMFT), and Licensed Clinical Social Workers (LCSW) to join a growing mental health crisis response team in the Greater Houston area. We primarily work with all three Texas Children's Hospital campuses including the Medical Center, West Campus near Katy, and in The Woodlands. This position is open for Weekdays, Weekends, and especially needed is coverage for all overnight on-call shifts. We have 4, 8, 10, and 12 hour on-call shifts available and can also create other shifts as needed. We are looking to hire Mental Health "Responders" that will use their personal vehicle to respond to local hospitals to perform a crisis mental health assessment, utilizing the Columbia Suicide Severity Rating Scale and their clinical judgment to make appropriate recommendations for patients in crisis. The company is employee focused and is excited to welcome you to experience the difference in working for a dedicated crisis response team to offer hope and healing to our fellow citizens in crisis. Unfortunately we are unable to hire interns/associates at this time due to hospital policies.

The Mental Health Responder intervenes with patients who have identified psychiatric or chemical dependency needs or are currently at risk of harm to self or others.

- Suicidal Ideations and/or attempts
- Severely distressed/extremely anxious
- Substance abuse and dependency
- Confusion /disorientation (Not caused by a medical condition)
- Bizarre/agitated behavior
- Hallucinations/delusions/ paranoia

MINIMUM QUALIFICATIONS

- Education: Master's Degree in Counseling.
- Experience: One (1) year psychiatric/healthcare field experience preferred.
- Licenses/Certifications: Licensed Professional Counselor, Licensed Clinical Social Worker or Licensed Marriage and Family Therapist
- Live within a 30 minute total commute time to one of the three Texas Children's Hospital locations mentioned above.
